MEMORANDUM FOR: Mr. George Allen, Director,
Imagery Analysis Service

SUBJECT : Appreciation for Support to Agency
Training Program

On behalf of the Director of Training I wish to thank you for the hospitality your office extended to the faculty and members of the Intelligence Production Course when we visited the Imagery Analysis Service in late October. The impressive and well organized program which [REDACTED] and your staff prepared for us was well received by all the students and made a valuable contribution to their understanding of the many complex tasks and services performed in your office. The students especially appreciated the opportunity to sit down analyst to analyst and talk with their counterparts in your office on problems they encounter in their daily work. Please extend to all those from your production staff who participated in this program our sincere thanks.

STATINTL

We have now begun planning for the next running of this course in mid-February and look forward to another enjoyable and informative session. We will be in touch with you after the holidays to discuss our schedule.
